Residence Hall Rendering by ARC/Architectural Resources Cambridge

Erland Awarded Student/Faculty Residence Hall for Deerfield Academy

Burlington, Massachusetts – Erland Construction was recently awarded the construction of a new 22,000 square foot dormitory for Deerfield Academy in Deerfield, Massachusetts. Erland will team with ARC/Architectural Resources Cambridge on this new construction project.

When completed in the summer of 2012, the two-story, wood-framed structure will feature three faculty apartments and 30 single bedrooms for students. The new residence hall will also have common rooms, a game room, two bathrooms, thermal solar panels, and a slate roof.

Deerfield Academy is an independent secondary school committed to high standards of scholarship, citizenship, and personal responsibility. Through a rigorous liberal arts curriculum, extensive co-curricular program, and supportive residential environment, Deerfield encourages each student to develop an inquisitive and creative mind, sound body, and strong moral character.

Erland Construction, with offices in Burlington, Massachusetts and East Windsor, Connecticut, is the region's leading open shop construction management, program management, design/build, and general contracting firm. The company has the specialized expertise for new construction, additions, and renovations in major market sectors including academic, residential, commercial, and healthcare.
