Erland Construction Sponsors Scholarship for Wentworth and AD 20/21 Show

Burlington, Massachusetts – Erland Construction believes in the importance of giving back to the community – especially when the recipients represent the next generation of construction professionals.

Erland made a gift to Wentworth Institute of Technology of over \$71,000 to establish the Kenneth Erland Froeberg Memorial Scholarship, providing financial support to incoming freshman students with civil engineering technology or construction management majors. “Wentworth is extremely grateful for the generosity of...Erland Construction,” said Dr. Russell Pinizzotto, vice president for academic affairs and provost. “This commitment to and support of the Institute will contribute greatly to our students, lessening financial burdens and ensuring access to a high-quality education.”

Erland is also a sponsor of the fourth annual AD 20/21 Show to benefit the Boston Architectural College. The show, which will be held April 7-10 at The Boston Center for the Arts in the South End, features 50 exhibitors from the United States and Europe offering fine art, photography, jewelry, furniture, glass, ceramics, sculpture, fine prints, drawings, and more from the 20th and 21st centuries.

Erland Construction, with offices in Burlington, Massachusetts and East Windsor, Connecticut, is the region’s leading open shop construction management, program management, design/build, and general contracting firm. The company has the specialized expertise for new construction, additions, and renovations in major market sectors including academic, residential, commercial, and health-care.
